

TAX SCAM:

ROBIN HOOD IN REVERSE

A federal tax bill that will affect every single American **transfers wealth from the working families and gives it to the billionaire class** in the form of massive tax cuts, at the same time **taking away health care** from millions of people!!!

CALL YOUR MEMBER OF CONGRESS TODAY AT 1-866-957-9069.

Tell them the Tax Scam against working people is unfair. Tell them to go back to the table and come up with a bill that **lifts up the middle class**, instead of handing out unnecessary and costly tax cuts to millionaires, billionaires and corporations.

HERE'S WHAT ELSE THE BILL WILL DO:

- Beginning in 2019, **increase taxes** on individuals earning \$10,000 to \$30,000 and by 2021, **raise taxes** on households earning \$40,000 and below. For everyone making less than \$75,000, **raise taxes** by 2027.
- **Kill jobs** by reducing taxes on multinational corporations that **outsource** U.S. jobs.
- Make permanent **massive tax breaks for the 1 percent and millionaires**, while **raising taxes** on 87 million working families.
- **Eliminate the state and local income and sales tax deductions** and cap deductions for property tax, meaning families will be **taxed twice** on the same income.
- Make it **harder for states and local governments to raise revenues** to provide education, health care and vital public services.
- **Repeal the individual mandate for the Affordable Care Act**, causing 13 million to lose health care coverage and drive premiums up for everyone else.
- **Eliminate the tax exemption** on employer provided funds for secondary education, including those provided through the Union Education Trust. **Members would be taxed on those funds.**
- **Drive up the federal deficit by a trillion dollars** and tee up massive **cuts to Social Security, Medicaid and Medicare** next year!
