## Who was Les Best?

- Les Best was an Ohio Civil Service Employees Association state officer and former math teacher at the Ohio Veterans Children's Home. Believing in OCSEA's dedication to improving the quality of life for its members and their children, Best felt an obligation to promote higher education and training.
- In 1989, he proposed that OCSEA begin a scholarship for the children of active members and retirees.
- Les Best died that same year, having served OCSEA for 10 years as an officer and 22 years as a member of its Board of Directors. Best was loved by many and his memory and dedication lives on through the Les Best Scholarship.

# Dependents' Scholarship ✓ Checklist

- 1. Complete the application form**  
Include the requested Social Security information for the applicant and the member (OCSEA requires only the last four digits of members' Social Security numbers. Schools require full Social Security numbers of student recipients when processing the scholarship awards.)  
Don't overlook No. 8 on the application: name and address of educational institution. We must have this information to send the award check.
- 2. Submit acceptance letter or proof of enrollment for the Fall of 2023**  
If you haven't been accepted to an institution of higher learning yet, please give proof of application and estimated date of acceptance notification.
- 3. Submit the essay**  
Compose a 500-1,000 word essay on the following question, and print your essay on a white 8.5" x 11" paper:  
*"Approval of unions is at an all-time high of 70 percent. Why do you think the union approval rating is so high? What is going on in the country that is causing such a shift?"*  
The scholarship essays are a **major** part of your application score. We encourage you to draw from personal experiences, using examples demonstrating how this issue would affect working families like your own.
- 4. Submit the Academic/Professional Reference form in this packet**  
Ask your academic advisor, teacher/professor, or colleague to complete the **Academic/Professional Reference form** in this packet. They may either return it to you to send in with the rest of your application materials, or they may send it directly to OCSEA.
- 5. Provide a transcript**  
All students applying for this scholarship must obtain either an official high school transcript, or a college transcript from the college you are currently attending.  
Transcripts should be sent to **OCSEA Les Best Scholarship Fund, 390 Worthington Rd Ste. A, Westerville, OH 43082.** (Please allow your college records office at least three weeks to process your request.)
- 6. Submit additional academic achievement records**  
(Required for graduating high school seniors only. Not applicable for students enrolling in vocational, trade or technical schools.)  
Submit the results of your Scholastic Aptitude Test (SAT), or American College Test (ACT). The scores can be reported directly to OCSEA.
