## Who was Les Best?

Les Best was an Ohio Civil Service Employees Association state officer and former math teacher at the Ohio Veterans Children's Home. Believing in OCSEA's dedication to improving the quality of life for its members and their children, Best felt an obligation to promote higher education and training.

In 1989, he proposed that OCSEA begin a scholarship for the children of active members and retirees.

Les Best died that same year, having served OCSEA for 10 years as an officer and 22 years as a member of its Board of Directors. Best was loved by many and his memory and dedication lives on through the **OCSEA Les Best Scholarship**.
