RTW is a dangerous attack on working and middle-class families. These anti-worker policies lower wages, slash benefits, make workers less safe on the job, and devastate communities.

**WORKPLACE FATALITIES**

Workplace fatality rates are 49% higher in RTW states.

**WAGES**

Median household incomes are \$681/month less in RTW states.

**IT WON'T JUST HURT UNIONS - IT WILL HURT US ALL.**
