

Districts: Start your engines!

Can your district “out phone bank” the other districts?

A friendly phone bank competition will pit districts against each other at the upcoming OCSEA **Biennial Convention**. The goal is to see who can talk to more members about upcoming bargaining.

How it works:

Each district will have five phone bank stations to “man” during the day on Thursday and Friday at convention. The goal is for districts to get as much “talk time” in as they can.

The district that gets the most “talk minutes” will receive a \$1,000 rebate to the district.

Calls can be made by any member in the district and do not have to be made by an official delegate.

Calling will take place in Room 236 of the Duke Energy Center from **10 a.m-5 p.m on Thursday, Aug. 24 and Friday, Aug 25.**

Who will make it to the finish line?
