

DAY OF RALLY SOLIDARITY!

Friday, June 17

OCSEA members and supporters are gathering on the Ohio Statehouse West Lawn on **Friday, June 17** for a **Rally for Respect**. While it's not possible for every member to take the day off work (for a variety of reasons, including lack of leave, staffing, mandation and more), it doesn't mean that members can't join together in solidarity to get the attention of the administration and its managers.

Can't attend the rally? Join the **Day of Rally Solidarity** by wearing OCSEA attire or AFSCME green to show union solidarity. Some chapters are even providing green ribbons to wear in facilities that require uniforms. Contact chapter leaders about how you can participate! OCSEA retirees who can't attend the rally are also being asked to show their solidarity as well by wearing OCSEA attire or AFSCME green.

Why are OCSEA members are rallying?:

- **We worked and sacrificed for Ohio.**
- **We deserve to be paid!**
- **We know the State of Ohio has the funds to pay us!!!**
