PROTECT MAJORITY RULE IN OHIO

For more than 110 years, Ohio voters have had the freedom to put Constitutional amendments directly on the ballot with a simple majority. Your union supports preserving this sacred principle of one person one vote.

**Vote No on Issue 1 on August 8 to protect majority rule!
One Person, One Vote is the fair and democratic way.**

Issue 1 is undemocratic, plain and simple! It gives the majority of Ohio voters—40 percent—the ability to block the majority. **That's unfair.**

Issue 1 also undermines the progress unions are working toward, like spurring bipartisan policy for job creation and economic development that helps working families. With so much opportunity in front of us, we believe Issue 1 is unnecessary and divisive.

We must strive for MORE collaboration and LESS conflict.

About a decade ago, extreme politicians in Columbus tried to take away our collective bargaining rights with Senate Bill 5. We defeated them at the ballot box and showed that Ohioans stood for union rights! This year marks 40 years of collective bargaining rights in Ohio. Union members know all about fighting for what's right in this state, whether at the bargaining table or the ballot box!

Join every union in Ohio and vote NO on August 8 to defeat Issue 1!
