The Combined Charitable Campaign (CCC) is an annual initiative that encourages State of Ohio employees to donate to one or more of 1,100 local, regional, and international charitable organizations. CCC consolidates many charitable campaigns into one, asking State of Ohio employees to voluntarily donate through payroll deductions or a one-time gift. The CCC is a joint union and state campaign.

"Through individual gifts, either by payroll deduction or one-time payment, we have the opportunity to make a significant impact on the lives of those around us."

- OCSEA President Chris Mabe

WE WANT YOUR FEEDBACK!

To help gauge member priorities for state contract bargaining, OCSEA leaders and staff have been calling state union members to conduct the **official bargaining survey**. If you haven't received a call yet, be on the lookout for a call from the **OCSEA MRC**.

Your feedback will help the bargaining team **develop a winning strategy** and give you—and all OCSEA members—a voice at the table.

The survey **only takes a few minutes** and allows members to **prioritize their top issues** and **give feedback** on concerns that are unique to their agency or workplace.

If you receive a call but are unavailable, you can contact the **OCSEA Member Resource Center** at **888-627-3211** to complete your bargaining survey!
